

AOHC 2023

Media Kit For Exhibitors and Sponsors

The American Occupational Health Conference (AOHC) is the premier professional meeting for physicians and other health professionals who have an interest in the fields of occupational and environmental medicine (OEM). It is also the annual membership meeting for ACOEM's members. AOHC provides a forum for connection, networking, and education.

As an exhibitor or sponsor of AOHC 2023, you play an important role in making this year's conference a success. Attached to this document you will find images to share in email and social media communications, which have been sized for a number of platforms. Thank you for your contributions to ACOEM, and we cannot wait to see you in Philadelphia!
