SHAPING THE FUTURE OF OEM

# PRESIDENT'S MESSAGE

Dear Colleagues, Friends, and Guests:

Welcome to beautiful Salt Lake City, UT. It has been three long years and I am so pleased we are all together again. I am also pleased that so many are joining us from around the globe virtually.

The theme of this year's AOHC is Shaping the Future of OEM, and it offers us an opportunity to strategize for the post-COVID world. Specifically, we are going to use this meeting as a catalyst for change, focusing on the steps we can take as OEM practitioners to strengthen and promote our field. Our AOHC 2022 Program Committee, chaired by John D. Piacentino, MD, MPH, FACOEM, and vice-chaired by Laura G. Gillis, MD, MPH, FACOEM, has developed an excellent program featuring close to 110 concurrent sessions to provide you with a wide variety of educational options and activities.

Here are some of our conference highlights:

- **Sappington Lecturer.** This lecture will be delivered by Paul Jung, MD, MPH, MBA, FACPM on Sunday, May 1, and will discuss the future of preventative medicine.
- **Perspectives on the Future of Occupational and Environmental Medicine.** This General Session on Monday,

May 2, led by Judith G. McKenzie, MD, MPH, FACPM, FACP, FACOEM, will address the current state of work and the potential future of work as well as the importance of OEM physicians and leadership to be agile in facing the challenges of the future.

- **Patterson Lecture.** Presented by John J. Dreyzehner, MD, MPH, FACOEM, on Tuesday, May 3, this lecture is entitled, "There Will be a Next Time...Can We Do Better?"
- **Five Worksite Visits.** One of the visits includes dinner and a show at the state-of-the-art Hale Centre Theatre.
- **Grand America Courtyard Social Event.** Join us for dinner, drinks, and dueling pianos on Monday, May 2.
- **Networking Opportunities.** Take part in every activity you can to maximize your opportunities! The connections you make at AOHC can not only be key factors in your professional success, but can result in life-long friendships.

Whether you are attending in-person or virtually, I hope you enjoy AOHC 2022. Laissez les bon temps rouler!

Robert M. Bourgeois, MD, MPH, FACOEM  
ACOEM President, 2021-2022

## PRE- AND POST-CONFERENCE COURSES

Pre- and post-conference courses are designed to enrich participants' understanding of concepts and issues related to OEM, giving physicians the knowledge necessary to sustain a competitive edge. Content is driven by research, the latest in regulatory issues, and the expertise of the faculty. Preregistration is strongly encouraged; a separate registration fee is required.

### FRIDAY, APRIL 29 – SATURDAY, APRIL 30 (2-DAY COURSES)

- Medical Review Officer (MRO) Comprehensive
- Occupational Medicine Board Review (OMBR)

\*Registration does not include exams.

### FRIDAY, APRIL 29

- AMA Guides to the Evaluation of Permanent Impairment, 6<sup>th</sup> Edition

### SATURDAY, APRIL 30

- Spirometry Testing in Occupational Health – Physician Update

### THURSDAY, MAY 5

- MCOH Medical Center Occupational Health Basics

## EXAM OPPORTUNITIES

### SUNDAY, MAY 1

- MOC/ABPM Exam  
11:00 AM – 1:00 PM  
Register at [theabpm.org](http://theabpm.org)
- MRO Exam  
10:00 AM – 1:00 PM  
Register at [mrocc.org](http://mrocc.org)

## EXHIBIT HALL HOURS

### SUNDAY, MAY 1

5:30 PM - 7:00 PM (Opening Reception)

### MONDAY, MAY 2

8:00 AM - 4:15 PM (Breakfast and Lunch)

### TUESDAY, MAY 3

8:00 AM - 1:45 PM (Breakfast)

# GENERAL CONFERENCE INFORMATION

## REGISTRATION DESK

Registration will be located on the first floor near the Grand Ballroom. Hours are as follows:

Saturday, April 30: 2:00 PM – 6:00 PM

Sunday, May 1: 7:00 AM – 6:00 PM

Monday, May 2: 7:00 AM – 6:00 PM

Tuesday, May 3: 7:00 AM – 6:00 PM

Wednesday, May 4: 7:00 AM – 12:30 PM

Name badges are required for admittance to all AOHC events.

**Guest Tickets:** A registered attendee may purchase a ticket for specific functions (on a space-available basis) for a guest by visiting the on-site AOHC registration desk. Please note: business colleagues, friends, and family members will not be allowed into educational offerings or session rooms without the advance arrangement of AOHC management.

## CONTACT INFORMATION

### ACOEM Headquarters

25 Northwest Point Blvd., Suite 700

Elk Grove Village, IL 60007

Telephone: 847-818-1800

Email: [educationinfo@acoem.org](mailto:educationinfo@acoem.org)

## REGISTRANT MAILING LIST

Exhibitors are an important part of the AOHC experience. Even if you do not use a particular exhibitors' products, their participation supports necessary conference costs which helps offset your registration fee and allows ACOEM to provide everyone with a better conference experience. The main benefit for exhibitor participation is access to you – on-site as well as before and after the conference. We provide exhibitors with a list of registrants for their use in contacting you to encourage you to visit their booth. Some offer discounts in their promotional message – another benefit to you. Exhibitors are limited to emailing registrants once before and once after the conference and are not allowed to add your information to their contact database for use beyond AOHC 2022. We appreciate your understanding and support of this common conference practice. If you prefer to have your name removed from the list provided to exhibitors, you may opt out during the registration process.

## CONSENT TO USE PHOTOGRAPHIC IMAGES

Registration and attendance at, or participation in, ACOEM meetings and other activities constitutes an agreement by the registrant to ACOEM's use and distribution, both now and in the future, of the registrant or attendee's image or voice in photographs, video recordings, electronic reproductions, and audio recordings of such events and activities.

# AOHC 2022 CME INFORMATION

The 2022 American Occupational Health Conference (AOHC) is the American College of Occupational and Environmental Medicine's (ACOEM) 106<sup>th</sup> annual meeting.

## AOHC serves two fundamental purposes:

1. It is the premier professional meeting for physicians and other health professionals who have an interest in the fields of occupational and environmental medicine (OEM).
2. It is the annual membership meeting for ACOEM's members.

## EDUCATIONAL NEEDS AND OBJECTIVES

The ACOEM CME Mission is to provide Occupational and Environmental Medicine (OEM) physicians and other professionals who promote the optimal health and safety of workers, workplaces and environments with the competencies needed to prevent work-related injury and illness and to optimize treatment outcome.

Upon completion of AOHC 2022, the learner should be able to:

- Evaluate current research;
- Analyze emerging issues in OEM; and
- Exemplify effectiveness and efficiency in carrying out professional responsibilities.

## TARGET AUDIENCE

AOHC is designed for medical professionals who specialize in or have an interest in OEM as well as industrial hygienists, safety professionals, and environmental health specialists who are involved in the field. AOHC offers a variety of educational activities for participants new to OEM as well as for the experienced professional.

## ACCME ACCREDITATION AND CREDIT DESIGNATION STATEMENTS

The American College of Occupational and Environmental Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The American College of Occupational and Environmental Medicine designates this live activity for a maximum of **26.5 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

## AAFP Credit

Application for CME credit had been filed with the American Academy of Family Physicians. Determination of credit is pending.

## **ABOHN**

The American Board of Occupational Health Nurses may recognize **AMA PRA Category 1 Credits™** as applicable for the education requirements for certification by the ABOHN.

## **AANPCB**

The American Academy of Nurse Practitioners Certification Board may recognize **AMA PRA Category 1 Credits™** as applicable for education requirements. Contact AANPCB for information.

## **Doctors of Osteopathy**

The American Osteopathic Association (AOA) may recognize **AMA PRA Category 1 Credits™** towards AOA Category 2-A credit.

## **Other Continuing Education Credit**

Other attendees seeking continuing education credits, particularly RNs, are encouraged to consult their respective certifying associations/agencies for the conversion of **AMA PRA Category 1 Credits™** to other educational credit.

## **Disclaimer**

The ideas represented in presentations at AOHC 2022 do not necessarily reflect ACOEM positions. ACOEM disclaims responsibility or liability for all products, services, or information presented at AOHC 2022. ACOEM does not endorse any product or service exhibited, nor necessarily support the content contained in the educational offerings.

## **Insurance/Liability**

ACOEM cannot be held responsible for personal injury, loss, damage, accident to private property or additional expenses incurred as a result of delays or changes in air, rail, sea, road, or other services, strikes, sickness, weather, acts of terrorism, conference cancellation or any other cause. All participants are encouraged to make their own arrangements for health and travel insurance.

## **Disclosure Policy**

In accordance with the Accreditation Council for Continuing Medical Education's ACCME Standards for Integrity and Independence in Accredited

Continuing Education, all accredited CME providers are required to disclose to the activity audience the relevant financial relationships of planners, faculty and others in control of educational content with ineligible companies. Ineligible companies are those whose primary business is producing, marketing, selling, re-selling, or distributing healthcare products used by or on patients. In the case of an individual for whom a conflict cannot be mitigated, that individual shall not participate in the development or presentation of the CME activity. Please see the Faculty Disclosure Information in the app for individual disclosures.

## **American Board of Preventive Medicine (ABPM)**

ABPM is working with its stakeholders to develop Continuing Certification Program requirements that will best meet the needs of ABPM Diplomates. To ensure you receive important updates and announcements, please make sure the contact information associated with your ABPM account is correct by logging into the ABPM's Physician Portal at <http://certification.theabpm.org/login>. You can also find the latest information on continuing certification on the ABPM website, [www.theabpm.org](http://www.theabpm.org).

## **ABPM Patient Safety Requirement**

The following sessions were approved to meet ABPM's patient safety board certification requirement:

- **206** Emerging Surface Disinfectant Technologies: Sure, They Kill Bugs But Are They Safe?
- **229** All Types of Impairment Can Create Safety Risks
- **410** Occupational Vision Testing: Diligence in Evaluating Visual Fitness for Duty
- **411** OSHA Session: What Have We Learned in 2021
- **416** Managing Worker Expectations of the Return-to-Work Timeline
- **419** Emerging Research from the National Safety Council on COVID's Impact on Substance Use and Mental Health

### Occupational Medicine, Executive Health Physician

Join the authority in medicine and partner with the nation's best hospital (U.S. News & World Report 2021-2022), ranked #1 in more specialties than any other care provider. At Mayo Clinic, we believe there is a better path to healing that humanizes the practice of health care and inspires hope in the people who need it most. You will be part of an amazing diverse team committed to solving the most serious and complex medical challenges – one patient at a time. **The Division of General Internal Medicine**, located within the Department of Internal Medicine at Mayo Clinic in Arizona, is currently seeking candidates for an appointment in our **Executive, Development and International Section**, who will also have expertise in **Occupational and Environmental Medicine**.

Practice and leadership experience within an outpatient practice is essential, and experience in an executive health, international medicine or concierge medicine program is highly desirable. These are very dynamic and growing practices within Mayo Clinic with tremendous opportunities for physicians to become a meaningful part of the great tradition of practice at Mayo Clinic. Potential for outreach Occupational and Environmental Medicine services to employers in the community, dependent on institutional needs and/or alignment with institutional strategic priorities. The candidate will be responsible for evaluating patients across a variety of specialized populations:

- Evaluation and Management of work-related injuries and illnesses. This evaluation includes blood and body fluid exposure assessment and management.
- Evaluation and Management of Executives in the Executive Health Program.
- Evaluation and Management of international patients and benefactors.

The selected candidate will demonstrate exceptional communication skills and maturity needed to care for our episodic (“non-primary care”) patient population. Interests in advancing the science and practice of medicine within the division and the institution through research, education and innovative care models are added qualifications that will receive priority.

***Qualified candidates must be board-certified/board-eligible in Internal Medicine or Family Medicine. They must also be board certified in or board eligible for Occupational and Environmental Medicine.***

Preference will be given to those candidates with additional year(s) of training in advanced General Internal Medicine (Chief Residency or fellowship) or internal medicine practice experience. Research training through fellowship or a Master's Degree program is desirable, but not a prerequisite for application. **Interested candidates should submit their curriculum vitae with a letter of interest to Connie Carlin, [carlin.connie@mayo.edu](mailto:carlin.connie@mayo.edu).**
