

FACULTY INDEX AND DISCLOSURE INFORMATION

* ACOEM Member

Disclosure Policy

As a sponsor accredited by the ACCME, ACOEM must ensure balance, independence, objectivity, and scientific rigor in all of its educational activities. In accordance with the Accreditation Council for Continuing Medical Education's Standards for Commercial Support, all CME providers are required to disclose to the activity audience the relevant financial relationships of the planners, teachers, and authors involved in the development of CME content. An individual has a relevant financial relationship if he or she has a financial relationship in any amount occurring in the last 12 months with a commercial interest whose products or services are discussed in the CME activity content over which the individual has control. Relationship information appears below.

All faculty are reminded that in addition to their disclosures listed here, that they are to verbally announce their disclosures (or lack thereof) at the beginning of their presentation.
