Fall 2012 – FTA Rx and OTC ToolKit Updated

Federal Motor Carrier Safety Administration (FMCSA)

Winter 2012 – MCSAC and MRB Meet on Sleep Apnea/Issue Recommendations to FMCSA

Spring 2012 – FMCSA Publishes Requests for Comments on Proposed Obstructive Sleep Apnea Recommendations – Withdrawal Announced Same Day

Summer 2012 – Responses to NRCME Questions from FMCSA

Summer 2012 – FMCSA Testing Organization Manual Posted

Summer 2012 – FMCSA Requests Comments on Hearing Exemptions/NAD Issues Action Alert

Fall 2012 – Safety Board Issues Fatigue Recommendations to FMCSA

Hearing

Summer 2012 – FMCSA Requests Comments on Hearing Exemptions/NAD Issues Action Alert

FROM THE COURTS

Spring 2012 – Loss of Thumb Not Disqualifying

FROM THE JOURNALS

Winter 2012 – Harvard Study Looks at Truck Driver Exposure to Fine Particulate Matter

Winter 2012 – Nighttime CPAP Therapy Significantly Improves OSA Patient Quality of Life

Winter 2012 – Therapeutic Use of Benzodiazepines and Opioids Linked to Increased Crash Risk

Winter 2012 – More Effective Assessment Tools for Diagnosing OSA Needed

Spring 2012 – Australian Study Finds OSA a Significant and Unrecognized Problem in CMV Drivers

Spring 2012 – Report Reviews MRB's 5 Years of Work

Summer 2012 – Ability of Chronic Pain Patients on Stable Opioids to Drive Safely Questioned

Summer 2012 – Review Compares Medical Evaluation Forms

Summer 2012 – CPAP Does Not Completely Reverse Neurobehavioral Deficits of Severe OSA

Summer 2012 – Driver Presenting with Dermatoheliosis

Summer 2012 – Impact of Irregular Work Shifts on Driver's BMI

Summer 2012 – Study Explores Truck Driver Mental Health

Fall 2012 – Review Addresses State of Knowledge Regarding Epilepsy and Driving

Fall 2012 – Obesity Associated with Crash Risk

Intrastate/Interstate

Summer 2012 – Intrastate v. Interstate (*NRCME Training Article*)

Fall 2012 – Not All Interstate Drivers Require Medical Certificates

Kidney Disease/Dialysis

Summer 2012 – Kidney Disease/Dialysis (*NRCME Training Article*)

Language Proficiency

Winter 2012 – Determining English Language Proficiency – Whose Responsibility?

Medical Examiner Assistants

Summer 2012 – Medical Examiner Assistants and the NRCME

Medical Forms

Spring 2012 – Medical Examiner's Certificate

Spring 2012 – Indiana's Obstructive Sleep Apnea Form for Commercial Driver's License Holders

OSA Form

Summer 2012 – Medical Examination Report Form (*NRCME Training Article*)

Summer 2012 – Medical Certificate Expiration Date (*NRCME Training Article*)

Summer 2012 – Review Compares Medical Evaluation Forms (*From the Journals*)

Fall 2012 – Not All Interstate Drivers Require Medical Certificates

Fall 2012 – NRCME Issues on "Address," Drug Tests, Waiver v. Exemption Clarified

Medical Marijuana

Fall 2011 – Medical Marijuana and Commercial Driving Redux

Medical Review Board (FMCSA's MRB)

Winter 2012 – MCSAC and MRB Meet on Sleep Apnea/Issue Recommendations to FMCSA

Spring 2012 – Report Reviews MRB's 5 Years of Work (*From the Journals*)

Fall 2012 – Medical Review Board Meets to Review Vision Requirements

Medications

Winter 2012 – Schedule I Drugs Always Disqualifying

Fall 2012 – FTA Rx and OTC ToolKit Updated

Mental Health

Summer 2012 – Study Explores Truck Driver Mental Health (*From the Journals*)

Motor Carrier Safety Advisory Committee (MCSAC)

Winter 2012 – MCSAC and MRB Meet on Sleep Apnea/Issue Recommendations to FMCSA

National Registry of Certified Medical Examiners (NRCME)

Winter 2012 – NRCME Certification: Professional Integrity and the Examination Process

Spring 2012 – National Registry of Certified Medical Examiners Established -- Effective May 21, 2012

Medical Examiner's Certificate

National Registry Schedule

NRCME Update from AOHCA

Summer 2012 – Pertinent Participant Questions Addressed at ACOEM's First NRCME Training Course

Examiner v. Employer Responsibilities

Kidney Disease/Dialysis

Intrastate v. Interstate

Medical Examination Report Form

Medical Certificate Expiration Date

Summer 2012 – Responses to NRCME Questions from FMCSA

Summer 2012 – Medical Examiner Assistants and the NRCME

Summer 2012 – NRCME Enrollment Opens August 20/Testing Organizations to Be Posted

Summer 2012 – ACOEM to Offer NRCME On-line Training

Fall 2012 – NRCME Issues on "Address," Drug Tests, Waiver v. Exemption Clarified

National Transportation Safety Board (NTSB)

Winter 2011 – NTSB Attributes Crash to Fatigue and Sleep Disorder

Obesity

Fall 2012 – Obesity Associated with Crash Risk (*From the Journals*)

Opioids

Winter 2012 – Therapeutic Use of Benzodiazepines and Opioids Linked to Increased Crash Risk (*From the Journals*)

Summer 2012 – Ability of Chronic Pain Patients on Stable Opioids to Drive Safely Questioned (*From the Journals*)

Particulate Matter

Winter 2012 – Harvard Study Looks at Truck Driver Exposure to Fine Particulate Matter (*From the Journals*)

Reader Contributions

Summer 2012 – Reader Contributions Sought

Reports

Spring 2012 – Report Reviews MRB's 5 Years of Work (*From the Journals*)

Summer 2012 – TRB Posts Truck/Bus Driver Health Conference Report

Safety

Summer 2012 – Ability of Chronic Pain Patients on Stable Opioids to Drive Safely Questioned (*From the Journals*)

Fall 2012 – Safety Board Issues Fatigue Recommendations to FMCSA

Schedule I Drugs

Winter 2012 – Schedule I Drugs Always Disqualifying

Seizures

Winter 2012 – Seizure Exemption Applications Announced

Sleep Disorders

Winter 2012 – MCSAC and MRB Meet on Sleep Apnea/Issue Recommendations to FMCSA

Winter 2012 – Nighttime CPAP Therapy Significantly Improves OSA Patient Quality of Life (*From the Journals*)

Winter 2012 – More Effective Assessment Tools for Diagnosing OSA Needed (*From the Journals*)

Spring 2012 – Indiana's Obstructive Sleep Apnea Form for Commercial Driver's License Holders
OSA Form

Spring 2012 – FMCSA Publishes Requests for Comments on Proposed Obstructive Sleep Apnea Recommendations – Withdrawal Announced Same Day

Spring 2012 – Australian Study Finds OSA a Significant and Unrecognized Problem in CMV Drivers (*From the Journals*)

Summer 2012 – CPAP Does Not Completely Reverse Neurobehavioral Deficits of Severe OSA (*From the Journals*)

Fall 2012 – Safety Board Issues Fatigue Recommendations to FMCSA

Fall 2012 – ATA Adopts New Position on Sleep Disorder Screening and Testing

Fall 2012 – Study Finds Commercial Drivers Understate Sleep Apnea Symptoms

Testing/Training

Summer 2012 – Pertinent Participant Questions Addressed at ACOEM's First NRCME Training Course

Examiner v. Employer Responsibilities

Kidney Disease/Dialysis

Intrastate v. Interstate

Medical Examination Report Form

Medical Certificate Expiration Date

Summer 2012 – FMCSA Testing Organization Manual Posted

Summer 2012 – NRCME Enrollment Opens August 20/Testing Organizations to Be Posted

Summer 2012 – ACOEM to Offer NRCME On-line Training

Fall 2012 – ATA Adopts New Position on Sleep Disorder Screening and Testing

Fall 2012 – NRCME Issues on "Address," Drug Tests, Waiver v. Exemption Clarified

Tools/Toolkit

Winter 2012 – More Effective Assessment Tools for Diagnosing OSA Needed (*From the Journals*)

Fall 2012 – FTA Rx and OTC ToolKit Updated

Transportation Research Board (TRB)

Summer 2012 – TRB Posts Truck/Bus Driver Health Conference Report

Vision

Fall 2012 – Medical Review Board Meets to Review Vision Requirements

Back Issues of CDME Review Available

Print copies of back issues are \$15 each. Call ACOEM Publications at 847/818-1800, x387, to order. Or, "Shop ACOEM" to purchase complete sets of print copies for 2010-2012 (\$60/set) -- visit www.acoem.org -- past years' indexes are found within the newsletter's descriptive information under the "Knowledge Centers" tab within the *Commercial Driver Medical Examiner Center* or in the Product Catalog in "Shop ACOEM" in *CDME Resources* within each year's description. Call ACOEM for prior years' indexes and to check availability/purchase details.
