

Join as an ACOEM International Member Today!

Eligibility

Physicians (MD, DO, MBBS, MBBCH, etc.) outside the United States who have an interest in occupational and/or environmental medicine are eligible to apply for **International Physician Membership**.

Non-physicians outside the United States who have attained the doctorate level degree of PhD, ScD, DrPH, EdD, etc., in an occupational and environmental health discipline, a master's level degree or other advanced training in a related field, or are a certified Physician Assistant, licensed Nurse Practitioner, or equivalent, are eligible to apply for **International Associate Membership**.

Terms

ACOEM's International Membership dues are based on your country of residence income group category as defined by the [World Bank](#).

Membership is valid for 12 months from the date the application is processed. International Physician Members are not eligible to vote in ACOEM elections. To become voting members, International Physician Members may upgrade their membership to an ACOEM Active Physician Member at the full dues rate. Once upgraded, members may not reapply for International Physician Membership. International Associate Members are not eligible to vote.
